

Last update: April 26th, 2021

Dear valued Traveler,

Hoteles Solaris de México is pleased to announce the inclusion of COVID-19 antigen testing on-property at no cost (for up to 2 persons per room per stay) to guests traveling to the U.S., as accepted per CDC U.S. travel regulations beginning on January 26, 2021. This for five night stay or more.

Stays four nights or less and / or additional testing, will have a cost of \$264 mexican pesos (\$12.00 dollars*).

*Depending of the exchange rate of the day.

Test results will be received within a period of no more than 48 hours, in written format as required by the CDC. Guests should contact the concierge at each resort upon arrival to schedule departure testing.

For guests traveling to countries that do not accept the antigen test (outside of the US) and require PCR testing, we will provide a special cost \$2,200 mexican pesos (\$110 dollars *) per person in Cancun an special price per person in Cabos. The tests are also available at the airports and health centers of both destinations.

*Depending of the exchange rate of the day.

Covid-19 test are also available at the airports, for additional information please check the following links.

Cancun: <https://www.cancunairport.com/covid-19-testing-information.html>

Los Cabos:

https://www.aeropuertosgap.com.mx/files/BP-GAP_instala_laboratorios_22-01-21vf.pdf

<https://www.visitloscabos.travel/covid-test/>

On-site property testing will be administered by the resort's medical center.

CANCUN

If a guest receives a positive test while on property, they must stay for a period of 14 days in a different hotel assigned and paid by Solaris Hotels, which includes one way transfer, accommodation and breakfast. Lunch and dinner will be covered by the guest at a special agreed rate of \$29.00 dollars per day per person, taxes included, gratuities not included. Payment to be made directly at the hotel.

CABOS

If a guest receives a positive test while on property, they must stay in the destination. Royal Solaris will support our clients with 10 days of stay in a different hotel and one way transfer to the hotel assigned.

Food & Beverages will be covered by the guest and will have a 20% of discount. Payment to be made directly at the hotel.

*Conditions subject to change without prior notice. Restrictions apply.

INFORMATION ABOUT THE CDC TESTING REQUIREMENTS

According to the CDC, air passengers entering the U.S. will be required to present documentation of a negative COVID-19 viral test (called a Qualifying Test) conducted within the 3 days before their flight to the U.S. departs.

Documentation should be for a viral test (NAAT or antigen) as approved or authorized by the relevant national authority. Test results must state: Negative, SARS-CoV2 RNA Not Detected, SARS-CoV-2 Antigen Not Detected, or COVID-19 Not Detected. Invalid will not be accepted.

Documentation may be paper or electronic copy and must include the name and contact information for the laboratory or healthcare personnel who performed the test. Test results may be required to be shown again upon landing.

Alternatively, passengers may provide documentation of having recovered from COVID-19 with documentation of test results conducted during the 3 months preceding the flight's departure from a foreign country.

Test results must state: Positive, SARS-CoV2 RNA Detected, SARS-CoV-2 Antigen Detected, or COVID-19 Detected. Invalid will not be accepted.

Additionally, a letter from a licensed health professional stating that the passenger has been cleared for travel (called Documentation of Recovery) is required.

Finally, all airline passengers will be required to present a simple CDC attestation form to the airline for collection prior to boarding. The CDC attestation form can be found here for reference.

For full information, please reference the FAQs on the CDC website, which can be found here. <https://www.cdc.gov/>
